

Welcome to Artmore:  
South Carolina Whitmore School's  
showcase of artistic talent.

Thank you to all of the students who  
have contributed to Artmore this year,  
and a special thank you to 11th grader  
James Roets, of Summerville, for the  
new layout design for Artmore.

As we wind down the 2018-2019 school  
year, there are just a few more  
outstanding works of art to share.

Enjoy!
