

Lillie Batten, Class of 2022

My name is Lillie Batten and I chose to go to Whitmore because I just preferred online school over traditional in-person school. There are a lot of benefits of virtual school, especially SC Whitmore. Getting to learn at your own pace, definitely. The flexible schedule because I could work two jobs and do school and still learn. I learned a lot. I just want to say thank you to the staff because they were so helpful and I didn't think I was going to get through. I was so worried about being a senior, but I got through it because of the staff definitely.
